***If 3 year long form certification	LONGGG	\$175.00		\$175.00
****Website Long Form Certification	LONGGG	\$100.00		\$100.00

Certification is not included with new gages - it is an optional line item ordered separately. Exceptions include Bird-style Applicators and Vacuum Plates.

For certification of new gages, "as found" data is the same as final inspection data.

For re-certified gages and refinished gages ordered with certification, Long Form Certifications include incoming inspection, "as found" data and final inspection data.

*No incoming numeric data available for scrapers.
